

Test d'Évaluation de Français adapté au Québec (TEFaQ)

What is the TEF for Québec (TEFaQ)?

The TEFaQ is a specific version of the TEF which has been elaborated based on the request of the Ministry of Immigration and Cultural communities of Québec to assess the level of competency in French, specifically the listening and oral skills, of an audience that wishes to emigrate to Québec.

The TEFaQ is composed of four sections. Please verify with your *immigration officer or workplace* to see which sections you will need to take:

- Listening comprehension (60 items – 40 minutes)
- Oral expression (15 minutes)
- Written comprehension (1 hour)
- Written expression (1 hour)

How is TEFaQ graded?

As for the TEF, the TEFaQ scores are ranked on 6 levels, ranging from 0+ level (basic skills) to level 6 (master skills) as per the scale of the CCIP (Chambre de commerce et d'Industrie de Paris) and from A1 level to C2 level, as defined by the Council of Europe (Common European Framework of References for Languages). TEF and TEFaQ score results are reliable measurements of language proficiency. An official certificate which is valid for two years is awarded.

CCIP	0+	1	2	3	4	5	6
CECRL	A1		A2	B1	B2	C1	C2

As of February 2016, the TEF scores are calculated with the following new point system:

Ancien barème TEF		Nouveau barème TEF	
Bonne réponse	3 points	Bonne réponse	1 point
Pas de réponse	0 point	Pas de réponse	0 point
Mauvaise réponse	-1 point	Mauvaise réponse	0 point
